

Where to **Vote**

Election day is November 6th. If you reside within the Town of Dillsboro, you will vote at Town Hall (Utilities Office). Anyone living in Clay Township votes at the Dillsboro Civic Center, 9824 Central Avenue.

Our latest exhibition is **Landscape - No Boundaries**. We want to thank the visiting judge, Mark Miller of Columbus, for his encouraging words at the opening reception. He presented Awards of Distinction to Margie Metz, Rebecca Davies and the New Horizons Art group. Annette Geil was awarded Best of Show for her painting, "Water is Life". Thank you to all artists who entered. The show is open through the end of November.

All Veterans will be honored on November 11th at Heritage Pointe, at our annual Veterans Day Program, co-sponsored by Beautification of Dillsboro and the Northcutt Laaker Post of American Legion. The program will begin at 1:30 PM this year. (Please note the change in time from previous years.) This year's guest speaker will be Darrell Hansel. Mr. Hansel resides in Switzerland County near Vevay with his wife, Sharon. He is a retired public school administrator, teacher and coach. He is a past member of Switzerland County Council where he served for 12 years. He has spent the majority of his adult life advocating for veterans issues, especially in his role as a National Executive Committeeman for the American Legion. He is also a member of the Vietnam Veterans of American, the 40 & 8, and the Veterans of Foreign Wars. Darrell Hansel is the proud recipient of Indiana's Sagamore of the Wabash.

Church bells will ring across the nation at 11:00 am on 11/11 in observance 100 years since the end of World War I.

Happenings in November

Dillsboro Arts/Friendship Gallery....a **writers group** meets the 1st and 3rd Tuesdays at 6 pm....if you like to write, please come join in.

Dillsboro Arts/Friendship Gallery....the **Music Circle** congregates at 6 pm on the 2nd and 4th Tuesday....bring a song....bring an instrument....bring a fellow musician.

Dillsboro Arts Friendship Gallery: A place for artful conversation. Drop in to talk about beginning an art practice, or you have been creating for years and you want to talk with others that understand your struggle to find the next big idea, or the joy you feel when capturing that just right line, the light on water or in the eye of your model, whatever those aha moments are for you. Maybe you wrote a song and want to try it out on a friendly audience. Or that short story or poem you've been working on is taking shape and you would like some input. And maybe, like me, you are just feeling overwhelmed with the state of the world and you want your voice through your art to be heard. Or sometimes you just need a quiet place to enjoy the feeling you get in a freshly painted, well lit space with art carefully arranged to lead your eye and spark ideas. We are creating a place for that conversation.
